

Kids Against Hunger Fund Raising Ideas

We need your help in raising funds to purchase ingredients for the Kids Against Hunger packets. It is important to begin early so here are some ideas to get you started. Can you think of others? Let us know and the winner of the best idea of the month gets a Kids Against Hunger tee shirt! You can find out more at <http://blog.HungerNoMore.us>

- Order a fund raising kit from the "Factory" – it is only \$15 and it includes many items that will help you get started
- Ask friends to make an online donation **in your name** at the DonateNow button on the web site at <http://www.achildshopeintl.org/DonateNow.html>
- Get the small Kids Against Hunger boxes for use in school classrooms, laundry rooms at home, etc. They are only \$1 each. Show your family, friends and neighbors and ask if they will help feed a child.
 - One box filled with coins can feed over 400 children!
- Keep one of the larger KAH boxes in your church or office with a small sign and encourage people to make frequent deposits when they see it; when they collect \$54 in a box send us a check and start all over.
 - One box of food will feed 216 children – and it is only \$54. 🌟🌟🌟
 - Keep a count of the boxes at the display so people know that they are making a difference
- Sell items that are not needed in your home – make room for other things!
 - Sell on eBay, Craigslist or a local consignment store and ask them for help after you share the KAH story with them
 - Need help with selling on eBay – let us know!

- Have your sports teams get involved
 - Ask your Upward Bound basketball team to collect 25¢ for each rebound that their team catches or 25¢ for every base hit in Little League, for every blocked soccer goal, etc
- Submit an application to your Mission Committee at church for support to KAH
 - Bring your missions pastor to the "Factory" to see what happens and why this is such a great program for people of all ages – family friendly ministry
- Apply for matching funds at your place of employment – specify A Child's Hope International (a 501c3 company) as the recipient of your gift and of your employer
 - Ask your employer for a company day (i.e. Live United) and come to the "Factory" having raised funds in the office
 - Go to the Fund Raising page on the Kids Against Hunger web site at www.HungerNoMore.us
- Collect unwanted gold jewelry and bring it to the "Factory"
 - We will collect and sell as part of the *Melt Down for Kids* Campaign
- Get some people together for "Sack It"
 - Each person pays for one 50 pound sack of rice (an important ingredient in what we pack) on the day they pack – they buy it at the door and take it to their packing lines for processing
 - Set up a really cool "Sack It" display in the church lobby or office – have sacks of rice with signs and a table for people to sack it for just \$20 – they are buying rice for your team to pack
- Sponsor a child for \$10 a month
 - that is what costs to feed one child with this program
- Have your church VBS program support Kids Against Hunger – the theme is Kids Helping Kids
 - We have great promotional material for you to use
- Ask the children in Sunday School classes to conduct a 25¢ drive to help feed starving children
 - then ask the adults in the church to match 4:1 – for every 25¢ the kids raise, the adults pay \$1
- Encourage everyone you know to use Goodsearch instead of Google on the Internet
 - Go to the Fund Raising page on the Kids Against Hunger web site at www.HungerNoMore.us
- Have a Kids Against Hunger party at your home sharing the needs of children and then asking for ideas on how your guests can help – many will ask what does it cost?
 - It all starts with just 25¢ a day
- Show pictures of children, tell your friends that we can feed that child for \$10/month - can they commit to doing that
 - give them a KAH magnet for their refrigerator

- Host a family fun night, inviting the families to donate to KAH the amount they would have spent taking their family out to dinner. Some might give the “fast food” amount and others the “sit-down dinner” amount
 - Have some KAH displays around, show them the Sam & Esther video and share with them this is happening today
- Have a huge yard sale with others in your neighborhood, office or church and tell people that all proceeds go to helping starving children
 - people who stop by and hear why you are doing this (HAVE BIG SIGNS) will give and not negotiate the price
- Ask the local pizza store to donate 25¢ for each pizza sold – promote their business and see what happens
 - Place a sign and poster in their store
- Ask the local grocery store if you can help bring grocery baskets to the cars of people when they leave the store
 - People will ask why you are doing this service, give them a flyer on KAH and tell them you want to help starving kids who never see grocery baskets
 - BUT do not ask for money
- Offer to walk your neighborhood dogs
 - Tell your neighbors why you want to help hungry kids and see what happens
- Have a Kids Against Hunger birthday party
 - Instead of gifts ask your guests to bring a donation for a hungry child
 - Instead of spending money for gifts for unneeded items, buy a box of food in someone’s name for Mothers Day, Christmas, Graduation, etc
- Have a KAH tee shirt party before you come
 - Have everyone pre-order and purchase their KAH shirts and wear them so others ask what that means
- There are plenty of vehicles out there for sale or unused. They can be donated through our Cars4Causes partner. The owner of the vehicle gets a tax deduction and we get the fund when the “wheels” are sold, auctioned or salvaged. It only takes a few minutes to complete the online form and the rest is easy.
